Notes

- In principle, the license will be issued at the day when you will have applied.
- As it will be issued at the police station, it will spend about 3 weeks when you get it.
- Within the period of extension, it is possible for you to apply it when you will extend.
- When applying, two sets of a four password number is needed.
- Photograph(s) of the applicant must have been taken the last six months ; head to shoulders only, no hat, front-face, and no patterned or dark background.

Notes

You must submit your resident's card .
(The copy is invalid)

The resident's card abbreviated your legal domicile is valid.
We will ask for you to show the ID card if you can't show your resident's card.
