

第3回岐阜県高校生英語プレゼンテーション大会 【参加校テーマ一覧】

通番	公・私	学校名	発表 テーマ	タイトル(英語)	タイトル(和訳)	発表内容
1	公立	岐阜高等学校	2	What is "OMOTENASHI"?	あなたは「おもてなし」を理解していますか？	The spirit of hospitality, omotenashi, is one of the most important things to keep in mind when we interact with people. Through volunteering with Gifu city's cormorant fishing, we came to realize this. Let's create a welcoming society that is full of omotenashi together!
2	公立	岐阜北高等学校	2	What we think and what we know	互いに知ること、思うこと	This year our school has made a sister school agreement with Mansfield State High School from Australia. We researched the values of Australian and Japanese students and there might be some similarities and differences between the two countries.
3	公立	長良高等学校	1	True Colors	本当の色	Everyone has his or her own "color", meaning everyone is a unique person. However, people, especially in Japan, tend not to show their colors. Wouldn't you want to be comfortable, showing your color?
4	公立	大垣北高等学校	3	Medical Care in Sri Lanka	スリランカにおける医療	Because of the financial problem of Sri Lanka, there is a need to develop their medical care system. We'd like to propose one solution to overcome their difficulties which involves the cooperation of other countries.
5	公立	大垣西高等学校	1	Pets in the World.	世界のペット	We are going to talk about pets in the world. Specifically, we are going to talk about the ranking of the most famous pets on the world and the problem of pets between them and humans life.
6	公立	大垣工業高等学校	2	Creators of the future	僕らは未来を作るクリエイター	We are members of the Information Technology Club at Ogaki Technical High School. While we mainly focus on improving our technical skills by developing applications, we also treasure our interactions with the people in our community. We want to tell you about our club activities.
7	公立	郡上高等学校	2	Gestures around the world	世界のジェスチャー	The gestures we use in Japan are sometimes misunderstood by foreign people. We would like to introduce some examples to you and demonstrate how we can enjoy our communication with proper gestures. We hope people around the world will be able to make good friends with each other, through better understanding.
8	公立	関高等学校	3	A Way to Promote Inbound Tourism in Chuno Area	インバウンドを中濃地区へ	We focus on Israeli tourists to Chuno Area. Sugihara Chiune, an ex-diplomat known for "Visas for Life", plays a key role as their hero. We suggest a new route covering some tourist spots associated with him. Then we analyze how fascinating our route is.

9	公立	加茂高等学校定時制	2	Let's make Japan better to make the world better	脚下照顧	SDGs has been gaining considerable media attraction and people and companies are usually targeting developing countries. But we can start from the closest problem in our society to make this world better.
10	公立	可児高等学校	2	Multicultural Coexistence ---- Struggling for New Life ----	多文化共生 -- 新しい人生への模索 --	The ratio of the alien registration in Kani city is 6.2% in 2017, and the number of the foreign students who are studying at public schools has been increasing. We would like to introduce those students around our age, mostly Japanese descendants from other countries, who began their new life in Japan and are struggling to adjust themselves to Japanese culture. We hope people will know their current situation and sentiments, as well as their hopes for the future by featuring their life in a facility called FREVIA.
11	公立	可児工業高等学校	2	The future in your hands	未来はあなたの手の中に	Have you ever tried to start a diet? Our project this year was to build a Smart Spoon that can help you calculate how much you should eat every meal! We were inspired by IoT devices, which once connected to the internet, they can have endless possibilities. Our project is only small scale and can not yet connect to the internet, but we keep on working towards making this an IoT spoon of the future.
12	公立	恵那高等学校	3	The wonder of paper in a Kusudama	くす玉の紙片の不思議	We have been researching the relationship between the conditions of pieces of paper in a Kusudama and their way of falling. We'll find what size of paper will fall slower and farther.
13	公立	中津高等学校	1	How to get on the trend	流行に乗る方法	Current trends change quickly, and often dangerous things can become popular. Even if you know good from bad at first glance, you may not be able to make the correct judgement when it comes to a trend. In such situations, if we have our own beliefs, we will not be so easily swayed by others and can make the correct judgement.
14	私立	岐阜聖徳学園高等学校	3	What can and should we do as high school students when disasters happen?	災害発生時に高校生ができること、すべきこと	If a heavy earthquake happens during the day time, high school students would have to cope with it at the local area where the school stands as one of the members in society. Are they supported or do they support others?
15	私立	聖マリア女学院高等学校	2	Anime VS Cartoons	アニメとカートゥーンを比較	We compared the positives and negatives of anime and cartoons through different perspectives. Through this presentation, we would like you to see the similarities and differences in cultures.
16	私立	帝京大学可児高等学校	2	Now loading: eSports are real sports or not.	Now loading:eスポーツは本当のスポーツなのか。	Recently, in Japan, people have been discussing whether eSports can be regarded as real sports or not. In our presentation, we will discuss eSports and why they are being discussed. Then we will debate the question: Are eSports real sports?
