※県記入

A large grid for writing answers, spanning most of the page. The grid consists of small squares. There are numerical markers along the top and right edges: '10' at the top of the 10th column, '20' at the top of the 20th column, and '30' at the top of the 30th column. On the right edge, '10' is also present at the 10th row from the top, and '20' at the 20th row from the top. The grid is used for handwritten answers.
