So you can watch the show in the morning. Also, if you want to buy something for your family, you should buy it inside the zoo because you won't find any shops outside. We are now at the east gate. <p>Hi, everyone. Today, I want to talk about this T-shirt. I got it from my favorite volleyball player two years ago. One day, I joined a volleyball lesson given by the players of my favorite team. That was my first time to talk with famous volleyball players. When I saw them, I was surprised that they were much taller than I. It was really fun to play volleyball with them.</p> <p>After the lesson, everyone got a T-shirt as a present from the players. And I received the T-shirt from my favorite player, Mr. Imai. I got very nervous, but I said to him, "I'm a big fan!" Then he smiled and said, "Thank you. Do you want me to write my name on the T-shirt?" It was like a dream and I said "Thank you!" many times.</p> <p>This T-shirt has such a story. This is my favorite T-shirt, and I often wear it in my house. Mr. Imai is 25 years old and plays in a very famous team in Italy now. This T-shirt reminds me of the volleyball lesson and his smiling face.</p>	[ 9 ]
