

Information on Nighttime Junior High School Trial Sessions

I want to **study** again!

What is a night school?

A **night school** is a school where people who were unable to graduate from junior high school or who graduated without being able to go to junior high school can re-study. Foreigners can also attend. Currently, there are no night schools in Gifu Prefecture.

What will you do at the trial session?

During the trial session, we will have classes in social studies, mathematics, science, and English. The content is at the level of a first-year junior high school student. There will also be time to discuss night school and relearning.

Does it cost anything to participate in the trial session?

No money is necessary. There is also no need to bring outside materials.
