

Automobile Tax Payment by June 1st

A late charge may be imposed after the payment deadline (June 1st) in accordance with applicable laws.

All Gifu residents benefit from Automobile Tax.

Various Tax Payment Methods Available!

Payment Apps for Smartphone

You can make a payment by scanning an eL- QR code printed on a tax notification form via smartphone with apps installed.

For more information on available payment applications, please check the website for the Local Tax Agency.*
Some applications may not allow you to pay taxes depending on the payment method. Please check the website of the application in advance.

*The website is scheduled to change to the "eL Payment Site" in September 2026.
