### What is a night school?

A night school is a school where people who were unable to graduate from junior high school or who graduated without being able to go to junior high school can re-study. Foreigners can also attend. Currently, there are no night schools in Gifu Prefecture.

### What will we do at the trial session?

The trial lesson will cover material equivalent to that of a first-year junior high school student. Time will also be allocated to discuss evening school and further learning.

### Does it cost anything to participate in the trial session?

No money is necessary. There is also no need to bring outside materials.

The next sessions are scheduled for October 22nd, 23rd, and 24th (Seino venue) and October 29th, 30th, and 31st (Gifu venue) and November 5th, 6th, and 7th (Chuno venue). We hope you'll join us!
